Dear Sir/Madam

SUBMISSION OF NOTIFICATION TO PUB BEFORE CARRYING OUT WATER SERVICE INSTALLATION WORK AND CERTIFICATE OF SATISFACTORY COMPLETION OF WATER SERVICE WORK UPON COMPLETION OF WORK

We would like to remind you that you are required to notify PUB on prescribed forms before the commencement of any water service installation works including replacement work for pipes, pipe fittings and water tanks (notwithstanding whether it is a one-to-one replacement). You are also required to submit a Certificate of Satisfactory Completion of Water Service Work certifying that the water service installation has been carried out and completed in accordance with the Public Utilities (Water Supply) Regulations, Singapore Standard CP 48 - Code of Practice for Water Services and all other relevant statutory requirements.

2 Non-compliance with the above requirements is an offence under the Public Utilities Act and Public Utilities (Water Supply) Regulations. PUB will not hesitate to take action against any Licensed Water Service Plumber or Professional Engineer who contravenes the above requirements.

3 Please do not hesitate to contact me at Tel. No. 67313859 if you have any queries or require any clarification.

Yours faithfully

R RAJENDRAM
