Annex B: Canon x Singapore World Water Day Photo Contest

Canon Singapore is partnering PUB to run an online photography contest from 17 to 27 March 2022, to promote the #GoBlue4SG movement by rallying community photographers to capture their take on water with the theme 'Water is Life'.

Canon and PUB together with travel and nature photographer Jensen Chua announced the launch of the contest on 17 March. Participants can submit their entries by using the official hashtags #MyTakeOnWater2022 and #CanonSingapore on Facebook. Five lucky winners will walk away a Canon Mini Photo Printer worth \$219 each, and their winning entries will be featured on PUB's social media accounts.

Contest details:

Duration	17 – 27 March 2022
Instructions	- Participants are to capture their take on water with the theme 'Water is Life, to showcase what water means to them in their everyday lives. - Participants are to submit their entries via the contest post on Canon's Facebook Page, with the hashtags #GoBlue4SG #MakeEveryDropCount, by 27 March 2022. - Winners will be announced in early April on Canon's Facebook Page.

Annex C: Photo Collage of Singapore World Water Day Activities

1	19 Mar to 22 Apr – LiHO Brings Back ‘Li Blue’ Drink for SWWD 2022!  The specially curated Li Blue drink is a refreshing concoction of tropical credentials with green lemon and a light milky yogurt flavour. Paired with white pearls, it symbolises the unity of our people in support of #GoBlue4SG. Dress in blue or carry blue accessories (e.g. blue phone, blue spectacles, blue nails, etc) and enjoy \$1 off LiHO TEA's Li Blue drink!
2	2 to 30 Mar – Water Wednesdays (Tanjong Katong Girls' School)  TKGS has partnered PUB to plan a special treasure hunt activity for visitors to the NEWater Visitor Centre on all Wednesdays in March, as well as the entire week of the March school holidays.
3	“Well of Knowledge” by Science Centre Singapore  From 12 - 20 March, Science Centre Singapore (SCS) is having an activity pop-up booth “Well of Knowledge” for visitors to learn more about Singapore's water supply through interactive elements.

	In addition, the Singapore Science and Engineering Fair (SSEF) co-hosted by SCS and MOE featured PUB on the expert panel giving a talk on how Singapore taps on green energy and our steps towards environmental sustainability on 9 March.
4	1 to 31 Mar – susGain Introduces In-App Game to Shine a Light on City Turns Blue  susGain has developed an in-app game to encourage participants to visit landmarks participating in the City Turns Blue initiative. All landmarks participating in City Turns Blue will be featured in on an interactive map. Participants may also download a walking guide to help them plan their visits. Participants can earn 500 susGain points for each landmark they visit and can start planting virtual trees on the game once they reach 1,000 points. susGain has partnered Eden Reforestation Projects to plant a Mangrove tree on Biak Island in Indonesia for every virtual tree planted. The quest will run for 4 days from 19 to 22 March. In addition, susGain is organising an app challenge throughout March where participants stand to win prizes. Keep a lookout on the susGain app to find out more! Download the susGain app on Google Play Store (Android) or App Store (iOS): Google Play Store – https://play.google.com/store/apps/details?id=com.susgain.app App Store – https://apps.apple.com/sg/app/susgain/id1509388904
